HÄFELE

ABSOLUTE
Comfort

technology

 Air system

01 Active Air System

Air mixed with water creates bigger and softer drops delivering a superb showering performance. This technology reduces water consumption.

 Easy clean

02 Easy Clean Technology

Easy to clean by simply rubbing the nozzles with your fingers. The nozzles will stay clean removing limescale for a perfect function.

 Spa

03 spa spray Technology

The new Spa Spray offers a soft water spray of micro drops. It works perfectly with high and low water pressure as well.

 Push button

04 Push Button

Perfect comfort by changing the water spray function with a simple touch of the push button.

The New "Keyless" 3 functions hand shower offers great comfort without compromising design integrating the push button onto plate to switch water spray
